Valdelacierva is located in the heart of Rioja Alta (Navarrete) and it has 200 hectares of vineyards, which are divided in small plots with vines that are between 25-130 years old. The winery has a young and dynamic character and it is inclined towards the elaboration of modern wines, with the seal of the land and the Tempranillo grape variety as protagonists. The wines come from selected vineyards of the localities of San Vicente de la Sonsierra, Briones, Baños de Ebro and Yécora.
