Founded in 1988, Bodegas Valdelacierva belongs to Hispanobodegas Group which owns wineries in the three most important Appellations in Spain: Rioja, Ribera del Duero and Rueda. Valdelacierva is located in the very same heart of the Rioja Alta (Navarrete) and it has 200 hectares of vineyards, which are divided into small plots with vines that are between 25 and 130 years old. The winery has a young and dynamic personality and it is focused on making wines where the soil and the Tempranillo variety are their indisputable protagonists.

Production:

The grapes are selected taking into account the plot they come from and their maturation degree, being hand picked. Pre fermentative maceration takes 3 days at 12 °C to help extracting the aromas. Fermentation is done at controlled temperatures of 22 °C - 24 °C.

Tasting notes:

Visual

Garnet with violet hues

Nose

Very intense, with red fruits aromas, fresh and mature

Palate

Wide, velvety, well structured and with an intense and spiced aftertaste

Serving Temperature

12°C-14°C
